If this Organizer will be owned by and will hold the estate papers of someone other than the purchaser, please state recipient's information below:

Name(s) of recipient (names of both husband and wife, if married):

_____ \$99 plus \$10 for postage and handling—A total of \$109 for one complete estate organizing system (includes sales taxes, if any). This price includes seven white vinyl 1½-inch D-ring binders—six binders to hold Sections 1-13 and an extra binder to hold Section 14, the Budget and Bill-Paying System.

_____ \$79 plus \$10 for postage and handling—A total of \$89 for one estate organizing system without binders (includes sales taxes, if any). You receive all the components except the binders. You would go to your own outlet to purchase your binders.

_____ \$265 plus \$10 for postage and handling—A total of \$275 for one complete estate organizing system (includes sales taxes, if any). This price includes six executive-quality binders shown in the photo plus one white vinyl binder to hold the "Budget and Bill-Paying System" (Section 14).

_____ \$176 plus \$10 for postage and handling—Many of our purchasers go through the organizing process using the white vinyl binders and then upgrade to the burgundy leather-like binders at a later date. You may purchase just the six executive-quality binders without the Organizing system for \$186. They come with the estate owners name and the volume number identified on the spine.
